CLARIFICATION OF TENDER DOCUMENTS PP 121/D/19 - LOT 3

Based on written request of interested party to provide additional information related to the preparation of bid in public procurement procedure for Spare Parts for Telecommunication Systems (public procurement 121/D/19), in compliance with article 63. of Public procurement law ("Official gazette of Republic of Serbia" no. 124/12, 14/15 and 68/15), we provide the following answers:

Question:

In the tender PP 121/D/19 the LOT No. 3 – Handset for VCS System is specified:

No	Item	Quantity to be delivered
1	Handset -> H.SET TAS, SW, Lemo (Manufacturer: Frequentis (Austria), Product Number: 30- 0013815)	7 pcs

For this handset an equivalent successor device has been determined by FREQUENTIS in the meantime.

The type of handset actually released in the FREQUENTIS product portfolio for use with the VCS system is FREQUENTIS the following model:

HANDSET TAS -6DB LEMO 10P SUM BK (20-0003396)

FREQUENTIS asks for authorization from SMATSA to offer this successor model in this tender PP 121/D/19, please confirm.

Answer:

Offered Handset must be compatible with the Voice Communication System VCS 3020X Rel 7.0, Rev. 7.1 used in SMATSA llc. Product number can be different. Offered handset must be equivalent with handset under specified product number in all functions and characteristics (cable length, colour, frequency, sensitivity, total harmonic distortion, sound pressure level).
