

CLARIFICATION (2) OF TENDER DOCUMENTS – 97/U/19

In accordance with Article 63 of Public Procurement Law ("Official gazette of Republic of Serbia" no. 124/12, 14/15 and 68/15) and based on written request of interested party to provide additional information related to the preparation of bid in public procurement procedure for PP 97/U/19 - Aviation English Courses for Air Traffic Control Officers, we provide the following answers:

Question 1:

On reviewing pricing we have a query with regard to the number of teachers expected to join the proposed programme.

On page 4 of the Tender document – under Technical Specification point 5, you state that an English Language Teacher from ANS Personnel Training Centre attends the Aviation English Language training course as well.

However within the cost breakdown on Form V2 you provide for a total of 8 teachers attending the programme.

Is it therefore the case that teachers will only attend the programme on 8 separate occasions, such that the majority of courses do not have a teacher present?

Answer 1:

There are four (4) English Language Teachers from ANS Personnel Training Centre who will attend the programme on 8 separate occasions depending on their obligations in the Training Centre, so the majority of courses will not have a teacher present.
